

LED Flood Light

**Description:**

The die-casted aluminum housing grants excellent corrosion resistance and heat dissipation, extending the lifespan to up to 50,000hrs. Safe landscape lighting with AC/DC 12V low output voltage, safe for outdoor use. Adjustable pathway lighting fixture, with 180 degree adjustable bracket. The optical lens and shield design greatly prevents dazzling and focuses the Light

**Model:** STLFD12123KGRGS

**Optical:**

CCT:	3000K
Lumen out put:	1000LM
LED Type:	SMD

**Electrical:**

Rated Power:	12W
Input voltage:	AC/DC12V-24V

**Life:**

Life spam:	50,000 Hrs
Warranty:	2 Years

**General:**

IP:	IP65
Finish color Availability:	Aluminum
