TerraSpot

DIMENSION

Adjustable light head for
a more flexible directional lighting

APPLICATIONS

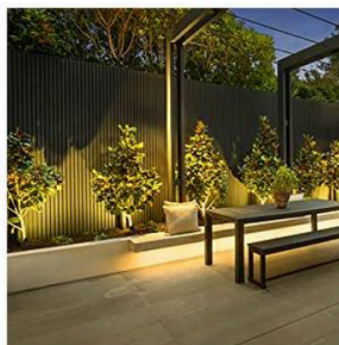

Courtyard

The IP65 waterproof rating and the rugged aluminum housing bring you excellent waterproof performance with corrosion resistance and heat dissipation capacity, resisting the damage of heavy rain. This is the best choice for outdoor wet locations.

Pathway

This landscape light has a 48° spotlight angle, not dazzling, highlight key landscapes. CR90+, more colorful, better eye protection.

Garden

Not only does it light up your courtyard with soft light at night, but this stylishly shaped fixture is also a beautiful decoration for you during the daytime.
