

LED Direction Inground Light

Description:

Directional inground lights are discreet outdoor fixtures designed to elegantly illuminate pathways, gardens, and architectural features. With adjustable heads or lenses, they offer customizable lighting to highlight specific areas. Featuring durable construction and energy-efficient LED technology, these lights provide both functionality and aesthetic appeal while seamlessly blending into the landscape.

Model: IDLG30624003KKP

Optical:

CCT: 2000K / 3000K / 6000K
Lumen out put: CW=479 WW=376

Electrical:

Rated Power: 3 X 2W
Input voltage: 24V DC
IK: 09
Lens Degree: 20°

Life:

Lumen maintenance: 50,000hr
Warranty: 2 Years

General:

Dimmable Solution: Triac PWM 1-10V Dali
IP: IP67
Operating temperature: -20°C~40°C
Housing: 12# Die-casting grey powder coated aluminum
T=60-80µm Adhesion of ISO class 1/ASTM class 4B

Certification: cETLus
