

## LuminaCast Smooth

**Description:**

The concrete pour step/wall light offers a sleek and contemporary lighting solution for concrete structures, retaining walls, steps, and stairs. With its low trim profile, it blends seamlessly with the surrounding surfaces. This fixture is highly popular due to its decent power and lumens output. Its easy installation and low maintenance make it a practical choice. The concrete pour step/wall light enhances the ambiance and safety of outdoor spaces effortlessly, adding a stylish touch to any environment.
