

## Orbis Micro TL 5

### Description:

The Orbis Micro Trim less Series offers a sleek and contemporary lighting solution that blends seamlessly into the ceiling for a clean, minimalist look. Designed for precision and performance, its slim linear profile delivers uniform, energy-efficient illumination without visible trim edges. Ideal for accentuating architectural features or creating smooth ambient lighting, this fixture is a perfect fit for upscale residential, retail, and commercial environments where discreet elegance and high functionality are key
