

VersaGlow Slim

Description:

The Slim VersaGlow Linear Pendant 008 series offers four finish option: black, anodized grey, white, and custom. Black is a timeless option that blends into any space, while anodized grey adds sophistication and elegance. White is clean and simple, and works well with minimalist and contemporary designs. Custom finishes allow customers to choose their own color or look for their fixtures. With these options, customers can select the perfect finish to complement their space and style
