

**Straza Edge – LED Bollard**

**Description:**

The Straza Edge is a contemporary architectural bollard designed to provide elegant pathway, landscape, and perimeter illumination. Featuring a distinctive floating-edge canopy design, Straza Edge delivers uniform downward lighting while minimizing glare and enhancing visual comfort. Constructed from durable die-cast aluminum with a weather-resistant powder-coated finish, the fixture is engineered for long-lasting outdoor performance in commercial and residential environments. Its clean geometric profile complements modern architectural spaces while providing reliable illumination for walkways, plazas, parks, and building entrances.

**Model: Straza Edge**

**Optical:**

CCT: 3000K  
Lumen out put: 750lm

**Electrical:**

Rated Power: 13W  
Input voltage: 12V AC  
Light Source: 72LED 2835 SMD

**Life:**

Lifespan: 50,000 Hrs  
Warranty: 2 Years

**General:**

IP: IP65  
Material: Aluminum body with PC diffuser / Dark grey  
Size: 220 x 137 x 640 mm  
Options: PIR motion sensor / Ground Spike Kits  
Certification: cETLus
