## DESCRIPTION

Designed for elegance and comfort, this wall-mounted fixture delivers soft, indirect illumination ideal for modern architectural settings. With its sleek and minimal design, it creates a subtle glow that enhances ambiance without glare. Powered by 120VAC, it's perfect for residential use, especially where a clean and refined lighting solution is desired. Constructed from durable materials and finished in a contemporary color palette, this wall light blends seamlessly into various design aesthetics.

## OVERVIEW

- Outdoor wall mounted
- Up & down glare free
- 100-240VAC
- IP54 suitable for wet locations
- 5 years warranty
